## NOTICE

# Safe Haven/Secure Hold Area for Commercial Vehicles

When Commercial Vehicle arrives at Red River Army Depot, the driver is vetted and the vehicle's cab inspected. The Government Bill of Lading (GBL) will be inspected to determine the amount and type of cargo and if it meets the criteria for being placed in the Safe Haven/Secure Hold Area. Driver will be escorted to the Safe Haven/Secure Hold Area where the driver will drop the trailer and then be escorted from the area and off the Depot. When the driver returns to the Depot, he will be escorted back to the Safe Haven/Secure Hold Area to retrieve the cargo and then escorted from the area and off the Depot. (THE ESCORTING TO AND FROM THE SAFE HAVEN/SECURE HOLD AREA AND THE INSPECTION OF THE GBL WILL BE DONE BY LAW ENFORCEMENT.)
